

IT & Communications Officer

This position will require you to hit the ground running!

Our valued client is seeking a broad skills based IT & Communications Officer; your abilities will decide your roles and responsibilities. Ideally, you will have a broad interest in all aspects of IT & Communications so that you can complete jobs in System Administration, Network Administration, Programming, Telephony and day-to-day support roles. As part of the interview process you will be required to demonstrate your abilities in relation to the criteria listed.

The essential criteria:

- Linux Server Administration
- Active Directory (2008 R2 preferred) and Windows 7
- Virtualization: Linux and Windows
- Exchange 2007 Management
- Asterisk VoIP with FreePBX
- IPv4 Networking, VPN and iSCSI
- Demonstrated ability to work without supervision
- HTML/CSS/JavaScript

Beneficial criteria:

- Programming experience: PHP / C#.NET
- Windows Deployment Services
- WordPress
- FreeSWITCH
- Understanding of Open Source in Business
- Photoshop and Illustrator
- Formal training in the essentials

This is a full time position based in Newcastle.

There will be a 3 month trial period.

To apply forward a cover letter, your resume and at least two checkable referees to: resumes@labourcooperative.com.au with the subject **ICT Position**. No agency resumes please.
